# Kujou's comments

I would like to thank you for buying the Jewel series.  
In this series, it has two of the same characters as  
the short series from before. "L-chick", "L-egg",  
"Karyusei", "Sakura Chiru". I hope that I will  
continue to do this. Ah, no. I will work harder...  
don't you think so? That's why this time it's short too.  
The next series is a special surprise for you.  
Well, to pamper and get pampered,  
it's a surprise for everyone.

Well, at the  
moment I'm in this  
state, I still have  
time, huh?
